

YEAR 1 – Summer 2

English – Reading

Reading is an invaluable part of your child’s education and is key to learning in all subjects across the curriculum. We aim to develop our children into confident and fluent readers, and to broaden their vocabulary, by exposing them to a rich diet of high-quality texts from a range of different genres. Children will read a wide range of fiction, non-fiction and poetry texts from a variety of authors, linked to curriculum topics and wider themes.

In Year 1 we build knowledge of sounds and reading fluency through daily Read Write Inc Phonics lessons. We also build children’s enjoyment of reading through daily story time together.
